REMARKS

Claim 20 has been canceled making the objections to that claim moot.

Applicant acknowledges allowance of claim 21. Applicant has amended claim 21 for clarification. The term "fluoropolymer" has been replaced with "copolymer", as the term "fluoropolymer" does not contain antecedent basis in independent claim 21. Claim 21 is believed to remain in allowable condition in view of the clarification amendment.

A petition for a one-month extension under 37 CFR §1.136 is requested. Please charge that fee to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company). Should any additional fees be required to obtain consideration of this response, please charge those fees to the above-mentioned Deposit Account.

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,

J. Fair
